A fix shall be marked as a new sub-sub-version number. For example, should the Licensee purchase the Software under version 1.1.1, a fix shall commence under number 1.1.2.
- 9) **Support:** The Software is provided under an AS-IS basis and without any support, updates or maintenance. Nothing in this Agreement shall require the Licensor to provide Licensee with support or fixes to any bug, failure, mis-performance or other defect in the Software.
- 9.1 **Bug Notification:** The Licensee may provide the Licensor of details regarding any bug, defect or failure in the Software promptly and with no delay from such event the Licensee shall comply with the Licensor's request for information regarding bugs, defects or failures and furnish him with information, screenshots and try to reproduce such bugs, defects or failures.
- 9.2 **Feature Request:** The Licensee may request additional features in the Software, provided, however, that (i) the Licensee shall waive any claim or right in such feature should feature be developed by the Licensor; (ii) the Licensee shall be prohibited from developing the feature, or disclose such feature request, or feature, to any 3rd party directly competing with the Licensor or any 3rd party which may be, following the development of such feature, in direct competition with the Licensor; and (iii) The Licensee developed, envisioned or created the feature solely by itself.
- 10) **Limitation of Liability:**
- 10.1 The Licensee expressly agree that the use of, or inability to use, the Software is at Licensee's sole risk. To the extent permitted under Law, the Software is provided under an AS-IS basis **without warranties of any kind, either express or implied, including all implied warranties of merchantability, fitness for a particular purpose, title, and noninfringement.** The Licensor shall not be liable ,for any reason whatsoever, for any damage, cost, losses, expense or any other payment incurred by Licensee in any manner as a result of usage of the Software by the Licensee or as a result of any actions, failure, bugs and/or any other interaction between the Software and the Licensee's end-equipment, computers, other software or any 3rd party, end-equipment, computer or services. Moreover, the Licensor shall not be liable for any defect in

source code written by the Licensee when relying on the Software or using the Software's source code.

- 10.2 In no case shall the Licensor, its directors, officers, employees, affiliates, agents, contractors, or licensors be liable for any direct, indirect, incidental, punitive, special, or consequential damages arising from the use of the Software by the Licensee.
- 10.3 The Licensor does not represent or guarantee that the services will be free from loss, corruption, attack, viruses, interference, hacking, or other security intrusion, and the Licensee hereby release the Licensor from any liability relating thereto.
- 11) **Disclaimer of Warranties:**
- 11.1 **No-Warranty:** The Software is provided without any warranty; The Licensor hereby disclaims any warranty that the Software shall be error free, without defects or code which may cause damage to the Licensee's computers or to Licensee, and that the Software shall be functional. The Licensee shall be solely liable to any damage, defect or loss incurred as a result of operating the Software and undertake the risks contained in running of the Software on Licensee's Server[s] and Website[s].
- 11.2 **Prior Inspection:** Licensee hereby states that it has inspected the Software thoroughly and found it satisfactory and adequate to its needs, that it does not interfere with its regular operation and that it does meet the standards and scope of its computer systems and architecture. The Licensee found that the Software interacts with its development, website and server environment and that it does not infringe any of end user license agreement of any software which the Licensee may use in performing its services. The Licensee hereby waives any claims regarding the Software's incompatibility, performance, results and features, and warrants that it has inspected the Software.
- 11.3 **Data and Information:** The Licensor shall use reasonable efforts to protect information submitted by the Licensee in connection with the Software, but the Licensee agree that the submission of such information by the Licensee is entirely at Licensee's sole risk, and the Licensee hereby release the Licensor from any and all liability to the Licensee for any loss or liability relating to such information in any way.
- 12) **No Refunds:** Licensee warrants that it has inspected the Software according to clause 7.2 and that it is adequate to its needs. Accordingly, as the Software is intangible goods, the Licensee shall not be, ever, entitled to any refund, rebate, compensation or restitution for any reason whatsoever, even if the Software contains material flaws.
